LETTER FROM THE PRESIDENT

Hello Cochins Members, I would like to thank you for voting for me as your new club president. I have some mighty big feet to fill. Tom did a great job running the club. Speaking of Tom, I would like to thank him, Shannon Ahlman and Bill McGee for all of their hard work and dedication. Along these lines, I would like to congratulate Heidi Hylkema as the new Vice-President and Tim Johnson, Director for the Pacific coast area.

My goals for the club are:

1. Website is up and running!
2. Matt Lhaman generously is handling the current forum for our club.
www.showbirdbid.proboards
3. Gail Carlson has kindly volunteered to do the membership directory. We are starting all over again filling out Breeder Directory Forms. They will be mailed with this newsletter. As soon as you receive them, please send them back by July 31st, 2011!
I would like to thank you all for your patience with the directory. We all have been waiting for one.
If you previously paid for an ad, those checks are void. If you want to place an ad, send your ad to Gail Carlson, 7080 West 55th Ave., Arvada, Co. 80002. Ad descriptions are on the back page of the membership directory form.
4. Judy Gantt has graciously volunteered to do the "Master Breeders" awards. Long awaited awards will be sent soon to all that have accomplished the Master Breeder feat!! My congratulations to you all!!!

For the Indy show, Cochins International National will be having a raffle. We are planning to raffle off two carriers and pairs of cochins. So if you have extra, nice birds you would like to donate to the club for raffling, let Matt McCammon or Jamie Matts know. The more varieties the better! This will be a good money raiser for the club.

On Saturday, about noon we will have a club meeting. There will be a social hour before. So if you would like to bring some chips, dips, crackers, cheese, veggies, cookies, fruit breads, pop, cider or whatever you would like, please do so.

My computer is up and running. My e-mail address is: ltobia@tds.net

I am planning on doing about six shows this spring. I've been to: Marrietta show in March, Gateway show in April, Dayton Fancy Feathers in April, Michigan Poultry Fanciers in April, Central Illinois Poultry in May and Badger Poultry in June. I have a table set up at all of these shows. It's been a pleasure meeting, speaking and listening to the Cochin members!

Suggestion was made to sell Cochin calendars. If you have pictures of award winning chickens or funny chickens pictures, send them to me: Linda Tobia, 11826 Moyer Rd, Webberville, Mi. 48892. If we get enough pictures, we will have calendars for sale at the Indy show for 2012.

My future goals are, with the website up and running:

- 1 I'd like to see a list of all Cochin Regional and State District shows on the website.
- 2 Breeders Directory, on the website.
- 3 Master Breeder Points up dated, on the website.

See you in the aisles filled with lots of COCHINS. God Bless. Linda Tobia

VICE-PRESIDENT MESSAGE

Hello all- First of all I would like say "thank you" to everyone who voted for me... I truly appreciate your support and plan to do my best with the Vice President position.

Well, I was asked to write an article to give you an idea of what's going on this side of the country... The end of January I attended the annual Stockton, California show held by the Pacific Poultry Breeders Association. This happens to be one of my favorite shows because it breaks up the cold winter by heading south to a show. The Show is always well organized and I love seeing all my poultry friends there, everyone is so friendly. This show averages approximately 2500 birds however this year it was slightly less, 2327 birds total. There is always a decent showing of Large Cochins, 70 birds this year, the Bantam Featherlegged were at 246 around this year. The turnout of Cochins is usually the best show of the year as far as numbers go and again, a great show to attend.

The Pacific Northwest Poultry Association just finished their APA Semi Annual Meet April 16th & 17th Stevenson, Washington. I feel the show was a big success with a total of 980 birds in the Open Show and Junior Show, 2/3 in the Open Show, 1/3 in the Youth Show. There were various Breed Meets at the show, including the Silkie Western National. The Cochin turnout was decent as well. There were 21 Large Cochins and 68 Bantam Cochins, 11 of the Bantams were Fizzle Cochins. The organization of the show this year was different and there were several different transitions that I feel worked well for this show. They brought in judges from

various regions of the country so that made for a new perspective on the judging outcome of the various groups. I believe most people were pleased with the outcome of the show. I know I enjoyed myself as usual because to me showing is not only about my birds but about the relationships with my friends in the poultry hobby. Great job to all the staff that worked so hard on the show to make it such success!

This year unfortunately my hatch has not even started and at this point I'm not really sure if I will start or not? I recently purchased a lovely house with property so I did not want to fire up the incubator and have the stress of moving it while in the middle of a hatch and shuffling chicks from my current house to my new place. So I opted not to start anything until I move. I have plenty of work ahead modifying the barn into a "chicken palace" for my birds. I'm also actually moving my current sheds from my current house to my new place. That well take place this weekend, moving a 12'x20' and 10'x12 shed on a flat large trailer is going to be quite and undertaking but they are needed and will definitely make my set up even more functional. Ah the things one does for his or her hobby/passion...

I've been informed by Jamie Matts that we are currently working on our web site and hope to have everything up and running a.s.a.p. Hopefully once the web site is up and running we will make upgrades and improvements so that it will be even more functional and user friendly for all of our members. I would like to see our web site be one of the most tasteful functional sites out there so that is one of the goals we have this year...

Well, I hope everyone is busy hatching and raising some wonderful birds... I hope to see some of you at Indianapolis in October. I plan to go as long as all goes well. Keep those Cochins healthy and happy...

JAMIE'S REPORT

Hey Guys and Gals, before I post any info on the forum about the website I wanted to give you all a heads up. Our new website address is cochinsint.com Someone, already had cochinsinternational.com and wanted to sell it to us, CRAZY, I thought so, went with this one instead. The guy running the website is a friend of mine who I can help along if we have any questions or concerns. He does this as a side job and runs 7 or 8 other websites. He is busy changing over everything from Tom's old domain name so it is still a work in progress. I need to get him Tim's address and e-mail and finish off Heidi's address since she has recently moved. It is costing the club \$130.00 a year, \$100.00 for the domain name and \$30.00 for his time uploading pics and breeder points and such. He is willing to set-up generic websites for the club members for \$30.00 a year as well which is more than reasonable. If you have any questions or concerns to start out go through me this guy is not a chicken person but is willing to make changes and do whatever is asked. Anyway hope all is well. Take Care. Jamie

LETTER FROM JAMIE

Hey everyone, hope all has been well with your Spring. In upstate New York it has certainly been a wet one. But all in all shouldn't complain at least winter is over. As soon as the weather breaks around here it seems like all heck breaks loose. Between chicks hatching, flowers blooming, grass growing, garden to tend and fence to fix. My list just grows by leaps and bounds. I am a fanatic when it comes to my yard and love working on it but some weekends I am thankful to go back to my real job and rest. Well enough about what is going on with me. The club has been very busy since our last newsletter. Since then we had an election I sent out roughly 200 ballots and received 71 back. Not very good in my mind but I feel I did all I could to make it easy. The only contested race was for vice-president I received 41 ballots for Heidi Hylkema and 30 for Judy Gantt. So Congratulations to Linda our new President and Heidi our new Vice-President. I feel both of these women will do a great job. I have been speaking to both of them quite a bit as of late and they both have some great ideas to spark some new interest in the club. I also want to send out a huge thank you to Gail Carlson who has agreed to take on the Breeders Directory. Volunteers are so hard to find these days so to

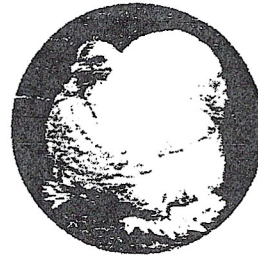

Gail I again say thank you. Also Congrats to Tim Johnson for taking on the Pacific district director position. Along with that Matt McCammon deserves a lot of recognition as well his articles in the poultry press and interaction with me is greatly appreciated. The website has been moved and updates will be made as they become available. One thing to remember the new website guy is not a chicken person he is someone who does this as a part time profession, so please be patient. If you have any problems or questions don't hesitate to contact him through the website or myself. The new address is www.cochinsint.com Since our last newsletter the standing balance in our account is \$3,814.83 as of April 30th, 2011. I will have a breakdown that follows. Well on that note the next four weekends are busy for me either showing or judging. So until next time I hope everyone has birds on the ground growing and hopes of a few show stoppers come October at the Crossroads Show. Take Care Jamie

JUDY'S MESSAGE

Hello fellow Cochin lovers.....Hope everything is going well with you and your birds. I would like to welcome aboard our new officers.....Linda and Heidi as Cochins International new President and Vice President. At the helm in our Pacific district is Tim Johnson as the new director. Great things are in store for our club so stay tuned and get involved.

Our thoughts and prayers are with those that were affected by the devastating tornadoes in the south. I don't know of any cochin exhibitors that lost birds but know fellow hobbyists that lost eggs and chicks due to the power outages. It has been an extreme year for weather. Shows in the south have ended until fall. In fact my first outing will be in Lucasville and the Indy show will be next in the month of October. Newport, Tn. had their spring show May 7th. A tough class of featherlegs was exhibited. A black cochin hen shown by Judy Gantt was reserve featherleg. I started hatching early so except for a select few I have finished. Would you believe I'm also hatching and showing a few silkies now. My main love and focus will always be the cochins. My main hatching went well so now I'm waiting to see if any can become that great bird we all long for. Our Eastern National at Crossroads will be here before we know it. Sounds Like everyone is really looking forward to it. Until next time.....Remember Cochins Rule.....Judy

Cochins International NE District 1 News

Donna Lamb

Hello NE District 1 – I want to start off by thanking all of you for your support and encouragement during my difficult time. I was reading back issues of my articles and there was one in 2008, where I thanked you before for your thoughtfulness during my illness as well. Poultry people are truly one of a kind and I am so grateful and appreciative of all your kindness and support. This is definitely one of the reasons for my wanting to continue with the hobby – keeping in touch and seeing such great friends at the shows. My hatch this spring was disappointing, but I'm still in business and hopefully will be back up and running full force next year. I hope you are all having a great hatch season. I can't wait to see your birds come the fall shows.

Congratulations to our new President, **Linda Tobia**, and Vice President, **Heidi Hilkema**. Thank you for taking over running Cochins International. I offer any support I can to assist in the success of the club. I'd also like to thank **Tom Roebuck** for his many years of running the club so well, I know a lot of work is involved, but it is greatly appreciated.

I want to send my condolences to Norman Rau, whose wife, Joan Lydia (Chapman) Rau, passed on June 28. Our thoughts and prayers go out to Norm and his family.

The spring shows are over in New England. I attended two shows this spring, and have included the results below:

Central Maine Bird Fanciers 5/29/11 (27 Cochins). B: BB went to **Bill Sirriner's** white C, who went on to Champion Featherleg, and RB Buff Cock by **Donna Lamb**. St: BB and RB to a Black C and H by **Anitta Clark (jr)**.

New England Bantam club 5/1/11 (36 Cochins). B: BB was **Bill Sirriner's** white P, who also went on to win Champion Featherleg (photo below) and RB to his black hen. Jr. BB to **Chris Miranda** with a nice black C and RB to a white H by **Megan Silva**.

Congratulations to all the winners.

If you have not mailed your 2011 dues, please send ASAP to Matt McCammon, 2890 S 275w Bloomfield, IN 47424. Membership runs from January 1 to December 31 of each year. Regular individual membership and family membership dues are \$15.00, junior membership (under age 18)

is \$7.50, however junior members do not earn Master Breeder points. If a junior wishes to earn points then he/she must purchase a regular individual membership and compete in an open show.

I will be placing the fall CI meets and I'm unsure where to place this year's NE1 District Meet – I'm deciding between Little Rhody in October or the New England Bantam Club in November. Please let me know your thoughts as I'd like to have the best turnout as possible. I'll soon be sending letters with more information and soliciting for award contributions for this district meet when established. Also, mark your calendars for the 2011 CI National Meet to be held at the Crossroads of America, Indiana State Fairgrounds, on October 28 - 30. This show will also host the 2011 ABA/APA Joint National Meet and promises to be a great show. There's been monthly write-ups in the Poultry Press and all information on this show can be found on-line at http://web.mac.com/rbennett57/Crossroads_of_America/Crossroads_of_America.html. I wasn't planning to attend, but may consider flying out with one bird if I raise a winner. I would love to just go see the show any ways.

If anyone else has exciting Cochin news or show results that you'd like to see in my article, just drop me a line and I'll make sure to add it to future articles. As always, feel free to contact me with any comments and questions: lamb@psicorp.com – 978-374-2481. Wishing you all much success at the fall shows. – Donna Lamb NE1

ROLAND'S MESSAGE

The snow is finally gone and we're getting ready for the fall shows. The 2011 Western National for Cochins International will be held at the Eastern Iowa show at Iowa City, Iowa on November 26th & 27th, 2011. The Eastern Iowa Show is one of the prestige shows in our Cochins International District. There will be a special awards in both bantams and standards to Cochins International members. We will have a prime location for the Cochin table in the building. Iowa City is located on interstate 80 about half way between Des Moines and the Western Illinois border. We are looking forward to a good turnout and invite all Cochin fans to join us for this western national cochins meet in Iowa City.

Other 2011 state meets in our district are: Nebraska State Meet at Lincoln on November 5th & 6th. Minnesota State Meet at Hutchinson on October 22nd & 23.

International Happenings in Europe

On the 10th of September there will be the 7th International Cochins day, where breeders from all over Europe come with their birds.

The Dutch Cochins club has its 25th birthday this year. Therefore there will be a one day show with young birds on the 22th of October with special prizes to win.

On the 3rd of December there will be an International Cochins show in Belgium.

On the first weekend of January, a European show for Cochin bantams is held in the city of Essen, organized by the German Club of Cochins bantams.

Beside these happenings, clubs of all countries have their own main shows nationally.

Six breeders are working to get the new color Bobtail recognized. The birds will be presented on the "Noord Show" in January to the Dutch standard commission. The variety is very popular among European breeders and the birds have a very soft and broad feather quality, typical for the Cochins. I mailed a little article with some pictures to Tom about this new bantam. If you see them, some of you might fall in love with them too.

Last December on the Oneto Show Mr. Bert Molderman had best Cochin and best in Show with a white Cochin pullet. On the two other Club Shows of the Dutch club he also had the best Cochin. It seems the white Cochins are back again after many years where we hardly saw some in the shows.

The quality of the large buffs is not very good in many countries. A lot of breeders stopped breeding this variety and concentrate on the other colors. Also the colors gold and silver-laced are bred by quite some people.

CI BREEDERS DIRECTORY Report by Gail Carlson

Hello!

For those of you that I have not had the pleasure of correspondence with in the past, my name is Gail Carlson, and I am doing the 2011-2012 Cochins International Breeders Directory. The draft has already been started and the general membership info has already been entered. You will be receiving your June CI newsletter shortly, and in the newsletter are the forms for the detailed breeder information for all members to submit. The Directory will only be as

good as the level of member participation, so please be sure to remind the members in your respective regions to return their forms!

Attached to this email, I am providing an advance copy for you of the article regarding the Directory that I am very excited about:

- 1) An additional "sort" listing will now be included: listing all breeders by Class and Variety.
- 2) Those not purchasing ad spaces, the breeder info submission form will also be available online (on the Forum).
- 3) As this year's 2011-2012 Directory will coincide with the 20th Anniversary of Cochins International (1992-2012, this celebration will be a featured part of the Directory. We are also promoting the smaller 1/8 page ads at just \$10.00 for members that may not normally purchase ad space, but may wish to now purchase ad space to congratulate CI on its 20th Anniversary.

It is in regards to the 20th Anniversary that I am requesting your help. If you have any Club highlights, pictures, anecdotes, etc., please feel free to forward them to me. In addition to a look back at the past 20 years – the Varieties, the Show halls, the Clubs! So please send me your best memories and pictures, as well as your predictions!

I'm sure there will be lots more I will be needing from you in the next couple of months (pic of recent show winners, etc.), but the priority right now is for you to encourage ALL members to return their breeder forms (and of course to purchase ad space!)

Thank you I look forward to hearing from you, and I welcome your suggestions for the Directory. Gail

MESSAGE FROM MATT MCCAMMON

Hello everyone and welcome to Spring!! I am writing this article after enjoying a beautiful Mother's Day with my wife and mom. I am so fortunate to have super mom and a great wife that has been excellent mother. Our kids will all be out of the house and off to college (\$\$\$\$!!!!) after the last graduates in a couple of weeks, but the hard work has paid off and each one has excelled in their chosen areas and make us proud. I have been very busy this spring, especially in May. With school winding down, the tennis season in full swing, and prom and graduation approaching, it seems there is something to do at all time. I attended three shows this spring, down from my usual five. But there just isn't time in the weekly schedule to bathe and condition the birds the way I would like to present them at the shows. So I would rather stay home than exhibit a poorly presented bird. I attended the Gateway poultry club

show in Bloomington, IN. in early April. Nine varieties were exhibited there, and Shari McCullough won with a black. Linda Tobia, Diana Delaney, Jmmie Currens and his wife Margaret, and Fred Abbitt were all there, along with some new additions to the club. There was a short club meeting to take care of some details. Linda signed up several members. Two weeks later, on the Saturday of Holy Week, the Dayton Fancy Feather club held their show. As many of you know, it was reduced to a one day show due to a conflict with Easter. It was a nice show as usual and they hosted our North Central district meet for Spring, 2011. Eight varieties were exhibited in bantams and Shari McCullough again won best with a black male and Linda Tobia won reserve with a blue female. Linda also won best large fowl with a blue hen. Nice large fowl were exhibited by a junior member, Rebekah Payne. She purchased birds from several well known breeders and has done well with them. She enjoys the hobby, and her family provides her with plenty of support. I wish all newcomers could have this support system. First, she went to established breeders and paid a little more for the best she could get. Then her parents provided her with the skills necessary to prepare her birds and the support to bring them to the show and see what the judge thought. I urged her to show them in the open show from now on. I hope she does. Rebekah, I am watching for you! On the last day of April, I attended the Feathered Friends show in Columbus, In. There were 40 bantams shown but no large fowl. I had a lucky day and won best of breed with a blue pullet. Shari had reserve with a nice black female that should have beaten mine. On that same day, there was a show at Alma, MI. I know Diana Delaney had best bantam there with a black and I think she had reserve too. So at the three shows I attended, there was an average of 50-60 cochin bantams shown. That isn't too bad, especially since many people are busy with birds in the breeding pens. I haven't hatched many cochins yet. I breed only out of mottled hens, and I only have four of them in the pens. So that limits how many eggs you get daily and you have to hatch pretty slowly. I have not hatched one blue as of this writing. I showed the two females at the shows I attended, and they haven't decided to grace me with eggs ever since! I hatched a few partridge and buff Columbians early when I hatched my Wyandottes. They are feathered out now and I am waiting patiently. I have decided this is the last season with the partridge if they don't "shape up" this year. I had terrible shafting trouble in the primaries of my males last year. I bred from a little different pens this year, but if that curses me again, I probably will pass these birds on to someone who has more time to devote to them. I have worked with them for about ten years and I think they are some of the best around, but you can't do everything.

Same for the Buff Columbians. This may be their last year too. I used to show a few of each color I had to increase interest in the varieties, but with the increase cost of gasoline and feed, I just haven't entered them this year and might not feed them for long. I sold my brown reds to John Burgess in Virginia to blend with his fine birds. He will do an outstanding job with them. I sold my Barreds to Diana Delaney a few years back. She has done nicely with them. Thanks to John and Diana for going beyond the blacks and whites and working to boost their

rarer varieties. I hope you both win the class some day, and I will be there smiling right along with you like a proud grandpa! I can say that in the last ten years, the interest in rarer varieties of cochins has increased due to constant promotion from prominent members of the club. And nine or ten varieties shown in the district meets is better than the four or five shown previously. I think we have successfully pointed people in the right direction to purchase birds, and I will continue to do that. But I have decided to only focus on the mottleds and blues with a few blacks for good measure. I have Wyandottes also, and I enjoy them. They are so much easier to breed and mature so much more quickly. So thanks to all those who have helped me with the colors I have played with and keep working with them. I want to see every standardized variety in the line up at the Crossroads show. So bring out the laced, the penciled and solids. Let's show them all and do what we can to improve our Cochins, large and bantam. Until next time...God Bless—Matt

2011-2012 BREEDERS DIRECTORY NEWS BY GAIL CARLSON

The 2011-2012 Breeders Directory will be celebrating the 20th Anniversary of Cochins International, and we want everyone to participate! All paid members (Have you sent in your 2011 dues to Matt McCammon?) will automatically have their names and addresses in the Membership listing.

When you complete and return (by July 31st) page 1 of the Breeders Directory Listing in this newsletter, you will also be included in the comprehensive Breeder listing.

In addition to the listings alphabetically and by state, this year we will also be listing Breeders by Large Fowl and Bantam Varieties. Looking for a Large Fowl Blue, or maybe a Bantam Partridge? Easy!

To offset the printing cost of the Directory, we are again offering ad space for sale. You can buy a full page for \$60.00, 3/4 page for \$45.00, ½ page for \$30.00, ¼ of page for \$15.00, or 1/8 page for \$10.00. If purchasing ad space, be sure and complete page 2 and return with your checks made payable to Cochins International. Digital ad formats and pictures should be e-mailed directly to me at my e-mail address on the bottom of page 1.

As the Directory will be a celebration of 20 years of Cochins International, we would like to include some Club anecdotes and pictures from the past 20 years. If you have some favorite moments or pictures you would like to share, please contact me. The 1/8 page banner ads (\$10.00) are just the perfect size for congratulating CI on its 20th Anniversary!

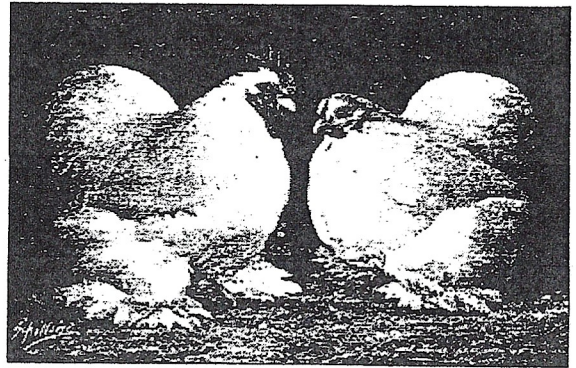

If you are NOT purchasing ad space, you can complete the Breeder Listing online! A link to the form will be posted in the Cochins International Forum on the (www.showbirdbid.proboards)

Message Board. Of course you can also complete the enclosed form and mail in back to me.

If you have any questions, please don't hesitate to contact me. E-mail is best as I work during the, but you can always phone. If you phone and get the (dreaded) machine, please be sure and leave your phone number, as well as what time of the day is best for you to receive a call back. My complete contact information is at the bottom of page 1 of the Breeders Listing form in this newsletter.

TIM JOHNSON'S MESSAGE

Hello, Pacific District. I would like to start by saying that I am looking forward to serving as a director for Cochins International.

The show season out west, at least in my area, has come to an end with the exception of some summer fairs. Our family is looking forward to the fall and the start of a new season. We look forward to visiting once again with friends we've made. This time of year, however, provides a chance to think about which males should be bred to which females and which of these combinations will provide the best birds. It's interesting to watch the chicks grow and determine which one to keep and which should be culled. The only part of this process I don't care for is...the feed bill! On a personal note, we will have all our eggs in the incubator by May 13th. It looks like we will hatch a total of about 200 black, white and white frizzle chicks. The last show we attended was the Pacific Northwest Poultry Association show. It was the APA semi-annual and was held alongside the Columbia River. We had a wonderful time and the scenery was beautiful. I always look forward to the twelve hour drive with my boys.

Here are the results from that show:

MESSAGE FROM MATT MCCAMMON

In the last newsletter, I said you would not receive another unless you paid your dues. Well some of you didn't, but we sent you another anyway! Your know officers thought it would be best to let everyone in on the recent developments pertaining to the club. So this will indeed be the last newsletter you receive if you do not renew. I will purge the database of unpaid members on July 30th, so please send dues to ME upon receipt of this announcement. Check your address on the front of the newsletter. If it says 2010, then your dues are unpaid for 2011. Dues run from Jan to Dec of the year you pay. They do not run a twelve month period from the month you joined. So anyone who renews know will be paid thru December. They will have to renew again in January. All memberships lapse on Dec 31 of each year. No membership cards are mailed, so just remember that you need to renew each time the New Year rolls around. Dues are \$15 per year, with \$7.50 being charged to junior members. If you are a member outside the US, remember to send payment in US funds only. There is currently no savings to join for several years in a row, but I would like to see something like that enacted in the future. I think that will help stabilize membership a bit as well as making it easier on most folks who would prefer to not deal with renewals every year. When you send ANY correspondence to me, please use the address printed in this newsletter. DO NOT use the RR2 Box 98M address. That is no longer processed by the postal service and any deliveries to that address are a result of the kindness of my mail lady. Don't push her too far...she's overworked like the rest of us! I would guess that even after purging the database we will be 200 strong in membership. That is a good goal to keep. Our president is doing a super job signing up new members at shows she attends, and I get lots of calls regarding the infor on the websites and forums. I think our club is vibrant and growing in all regions. I will leave you with a few trivia questions regarding memberships. Check below to see the answers:

- 1 What state has more members (paid and unpaid) than any other?
- 2 What district has more members (paid and unpaid) than any other?
- 3 Is Cochins International truly international with members on other continents?
- 4 How many of the US states have Cochins International members on other continents?

ANSWERS:

1. Pennsylvania
2. North Central
3. Yes, members in Europe and throughout Canada
4. 44 of the 50 states have members!

FRED ABBITT

I received news on a fellow Cochin member that I would like to share with you. One of our dear Cochin friends Fred Abbitt from Indiana had major heart surgery July 19th at Methodist Hospital in Indianapolis, In. Fred had parts of his ascending aorta replaced and also a triple bypass. For those of you that don't know Fred, he is a member of Gateway Poultry Club and raises buff Cochins. Fred works tirelessly to promote the breed to increase Cochin numbers at his home show. He is very positive courageous individual that is a joy to be around. We all know people that have away of picking you up when needed and Fred is one of those. You see, Fred is blind and has a major illness but it's not a disability to Fred.

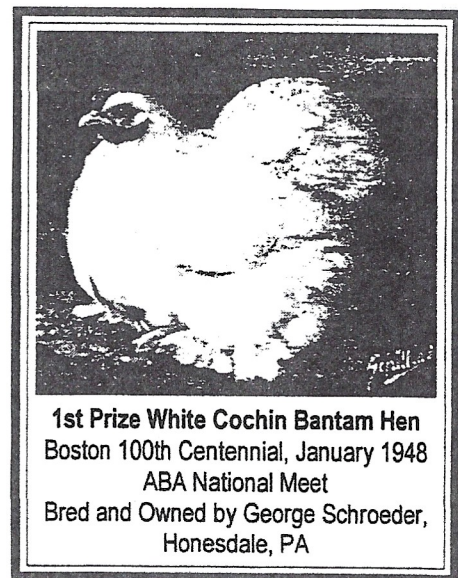

At this time, I'm not sure where Fred will be recuperating but you can contact Matt McCammon or Judy Gantt for details if you would like to send a card. I'm sure it will make Fred's day. Fred you're in our thoughts and prayers.
God Bless.

I received e-mail today that Fred's surgery, it went well—6 hrs. Fred's sister called and updated. Fred's last surgery took about 2 and 1/2 months before he could go back to being independent. Don't know yet about this one. He will be in a facility till he recoups.

I'd like to thank Judy Gantt for this bit of news.

ARTICLES

If any Cochin member would like to write an article, please be free to do so. Remember this is YOUR newsletter. Birthday, anniversary, get well greeting etc. are welcome as well. Please send them to the Editor, Linda Tobia. Thanks, Linda
