**MESSAGE FROM THE PRESIDENT**

Greeting everyone!! Well, where do I start, this fall and winter has been a head spinner. I did several shows starting with White River Poultry show in Spencer, IN., then to Southern Ohio Poultry in Lucasville, Oh., then to Central Indiana Poultry Show in Lebanon, IN., then to Birch Run, Mich. to Michigan Poultry Fanciers (Fall Fowl Fest), then to Bath, New York for a double show of Western Buffalo and Twin Tier shows, then the Ohio National and the last show for the year Tennessee Valley for the 2013 EASTERN NATIONAL COCHIN SHOW. I will start the New Year off by going out to Massachusetts to the Northeastern Poultry Congress show.

Again no matter where I go for a show I meet more members, it is good to put a name to the face! I would like to thank YOU the MEMBERS, for help supporting our Club at all of the shows I attend. I would also like to thank the Members for helping support our Junior Members as well. The junior attendance is going up. There is an average of one or two or more that sign up at show.

I have my barn already for the birds breeding pens. This time last year I was hatching babies left and right. I am so glad the girls haven't started laying, it is just too darn cold here. I put heat lamps out in the barn in the pen areas and it didn't take long and they knew what to do. When I left the barn the birds were crowding around the heat lamp for some heat. I do not know how the breeders in Minnesota are handling all of the cold they have had with their birds. I know Minnesota has had much more colder weather than we have had here in Michigan. *BURRRR*

The **2013 EASTERN NATIONAL SHOW** was the **BEST!!** If you missed it you missed an awesome show. The Cochin table and the junior table area were busy most of the day. Members purchasing raffle tickets and buying T-shirts, hats and patches. The Cochin table was right in front of 316 Cochin Bantams, what a sight to see all of the different varieties in the breed. The Large Fowl was down due to weather and some birds were under the weather. My own LF birds didn't make it due to them being sick a week before the show and I decided to keep them home. I would love to have had my Barreds there. The LF that was at the show looked real good. Rich's Partridges were beautiful and Bruce's Blacks looked real good. Kay had some nice looking whites as well. I would like to congratulate all of the Members for bring their different varieties to the show it was great seeing the different varieties.

It was great to meet **GAIL CARLSON**☺ Gail did a wonderful job with the BREEDERS DIRECTORY. I have received phone calls and emails telling me how great the directory looks. I told them they need to send Gail an email and telling her. I think it is the best one COCHINS INTERNATIONAL has put out. Thanks again Gail, for doing a wonderful job with the directory, as well as doing an awesome job with the website, keeping it up dated and adding new programs. Cannot say enough **THANK YOU!!!** Linda

Hi All, I hope this newsletter finds everyone's 2014 off to a good start. I am writing this after Christmas dinner it seems like yesterday my daughter was all excited to see what Santa brought and now she is driving, time waits for no one. And really the old adage of "Don't Blink" cause time will pass you by.

The past few months have been a busy one for me. Besides being show secretary for the **ENYSPA** show I attended 4 other shows and judged 3. The birds have been keeping me busy as well with another successful shipment to Bermuda. It was a little nerve wracking but the birds arrived safe and sound. As of this week I have shipped 238 birds this year. My goal in this is not only to help with feed costs but to get others hooked on this wonderful breed that has brought me such enjoyment over the past 20 or so years.

The shows I attended were well represented in the cochin aisles with some new exhibitors getting involved. I just received my Breeder's Directory and **Gail** out did herself. Thank you doesn't seem enough for such a great job and an even better volunteer for this club. Anyone who volunteers should be thanked because we are all working towards the same goal. To make this club bigger and better and to encourage new members and new ideas. I personally not only want to thank **Gail**, but **Linda** for all she does, for **Becky** who did a wonderful job with the youth and for **Matt** who over the years has been a good friend to work with on helping this club succeed.

As far as a treasurer's report here is the activity since the last newsletter. The ending balance was **\$5,683.75**. Currently we are at **\$6,053.34**. Bills were the ABA dues, Slate Awards and postage, Donation for Bill, Poultry Press Ads, Postage for National ribbons, Newsletter, Junior and Western Awards, T-shirts, and patches. Linda, Matt, Jennifer and Linda Merrill have all sent checks from shows where donations, memberships were made. Since the last newsletter we have set up a PAYPAL account to pay for dues or other items.

The PayPal address is [cochinsint@gmail.com](mailto:cochinsint@gmail.com) this currently has a balance of **\$646.67**. For a total of **\$6,700.01**. I still need to send **Gail** a check for the directory costs but she did an amazing job on soliciting ads so the overall cost is minimal.

Well with that said I want to say thank you to all. The treasury has never been this high and it's because of every one of you. Between the facebook groups, the website groups and the show hall groups. We all need to continue to work as a team!!!

I hope everyone has a great 2014 and remember the main reason for this hobby. It's a stress reliever not a stress additive. Till next time take care Jamie

Cochins International NE1 District News – Donna Lamb

Hello everyone – I hope you are all having an enjoyable holiday season. I'm looking forward to the Northeast Poultry Congress in January and then hatch season. Let's hope my girls cooperate with bountiful fertile eggs this year.

As a member of Cochins International, you should have recently received the 2013-2014 Breeders Directory! Wow, what a great reference with breeder listings, color photos, and great articles. A huge thanks to **Gail Carlson** who put this together – it's more than worth the \$15 yearly dues. If you have not mailed your 2014 dues, please send to Linda Lucas, 11625 Moyer, Webberville MI 48892. Membership runs from January 1 to December 31 of each year. Regular individual membership and family membership dues are \$15.00, junior membership (under age 18) is \$7.50.

The fall shows have wrapped up around New England. I have some results below. This was my first year back to the show hall after a couple years' hiatus and it was nice getting back and seeing everyone.

The CI NE1 District meet was held at the Eastern NY State Poultry Assoc. fall show in Cobleskill, NY on 9/29/13. There were a total of 31 Cochins shown; 25 bantam and 6 standard. The BB Bantam went to **Don Sidor** with a white pullet and a RB to **Becky Salinger** with a black pullet. In large fowl, **Jamie Matts** won with a white cock and **Larry Margitas** won RB with a nice white frizzle pullet. In Juniors, **Edison Cigany** won BB and RB with a black pullet and a mottled hen respectively. Also, Best Standard in Junior was won by **Larry Margitas, Jr.** with a handsome black cockerel. A few photos below (sorry for the quality, some were most uncooperative :-})

I'd like to thank all the people who generously contributed to CI district awards to make this show even more special: **Jennifer Binns Morales**, from CA, made and donated the banner pictured above for the best Jr. Cochin in show. It looked real nice on our display table and I'm sure now at the winner's house! A big thank you also goes out to: **Bob Hawes, Larry Margitas, Jamie Matts, Brooke Morales, and Bill Sirrine** for their support. Other NE shows results include the *Central Maine Bird Fanciers Assoc. Fall Show* where in bantams, **Linda Blackman** won with a Black hen and **Bob Hawes** RB with a Buff cockerel. *New Hampshire Poultry Breeders Show*: **Dog River Bantams** won BB and RV with a black hen and a white cock respectively. **Jonathan Fones** won in Juniors with a black hen large fowl. I was not able to attend the Boston Poultry show but understand that **Linda Blackman** won BB bantam with a blue pullet and **Bob Hawes** took RB with a nice buff pullet. Wrapping up the NE shows was the *New England Bantam Show*. **Beth** of **Gaetano Farm** won BB and RB with a white pullet and a black cockerel respectively. **Chris Miranda** won in Juniors with a black cock and **Greta Moore** won RB with a white hen.

Of course the big upcoming news is the *Northeastern Poultry Congress show*, which will be hosting the APA National. The show is being held on January 18-19, 2014 in Springfield, MA. I'm not sure when you get this newsletter, but it will probably be right around then. I solicited contributions for awards to generate more Cochin interest and have received quite a few. Beth Gaetano will be providing us with a table and I have a poster, which will list all the contributors. I'll also have CI materials available and of course membership applications. For more information on the show, visit: <http://nepoultrycongress.homestead.com/>. As many of you may know, our own NEI CI members are being honored: **Bill Sirrine** and **Bob Hawes** along with **Warren Carlow**. Congratulations for your well-deserved acknowledgement. I'm looking forward to seeing many of you at the show and will have the results in the next newsletter.

As always, drop me a line with any cochin news and I'll make sure to add it to future articles. And feel free to contact me with any comments and questions: [lamb@psicorp.com](mailto:lamb@psicorp.com) – 978-374-2481. Let's all have a healthy and successful 2014. – Donna Lamb NE1

Happy Holidays from **North East District II**! I certainly hope you and your families have had a great Christmas and Holiday Season and I wish you all a prosperous and healthy New Year. Things have been going well in the district and I had the opportunity to visit a few shows this fall. Tops on my list, was the Eastern National Show in Knoxville, Tennessee. Lots of bantams at the show but the large fowl were sparse with only 16 birds being shown. I know it is an expensive endeavor to raise the big birds but we need to have more individuals working on the LF. There were over 300 bantams entered at Knoxville and the quality was quite deep.

The Cochin Club has seen a little disagreement by a few of the membership over who should and shouldn't have voting rights in the membership. Currently we have the elected officers and District Directors that vote. That said, we all have to realize that clubs are products of their membership and we need to hear from the membership on any important issue before decisions are made. Any club member who wants to share their thoughts with me can always feel free to drop me a line or give me a call. My email is [richbar302@gmail.com](mailto:richbar302@gmail.com) and my home phone number is 302-659-1211.

Personally, I have been rethinking how my breeding program is being run. In the past, I've hatched birds out in the late winter (February and March) one time per year. I'm now experimenting by hatching out some birds earlier (December) with the intention of hatching some more out in March. Over the years, I've observed that my large fowl are in prime showing shape somewhere b 7 and 8 months of age for the females and about 9 to 10 months for the males. By splitting my hatchings, I'm hoping to have better birds to show over a longer period of time. I hope it works and I'll let you know how I make out.

I certainly hope all the cochin members in NE District II have a great upcoming breeding season and see a lot of improvement in their birds. Remember to encourage a kid into the fancy and never be too busy to offer some words of encouragement and advice. Until next time I send you all my best. Rich

Happy 2014 to everyone! I hope you all had a joyous Christmas season and I wish you the best in 2014. I look back on the fall show season in my area and the first thing I remember is that the number of Cochin Bantams exhibited was down quite a bit. I know I rarely showed any cochins this past fall. I just didn't have any birds in condition, and I know that is what other breeders told me also. Birds tended to molt in spurts, so they were always in some stage of molting. I spent a good deal of money and time supplementing their diets in hopes of having a bird or two to take to Knoxville, but to no avail. I had some nice Wyandottes that gave me high hopes, but old man winter took care of that for me too. The weekend of the show we had about ten inches of snow with ice underneath. So we didn't get to go. I hear the turnout was good. I know Judy really raised the bar for future nationals with all her hard work and for that we thank her. Her reward was a nice win, and I am so happy for that too.

I have talked to President Linda T, and informed her that I have resigned my seat on the Board of Directors as North Central District Director effective December 31, 2013. I just have too many things to do here at home and with my work. Fulfilling my duties in all the capacities for the club has just been more than I can keep up with at this point. I have to prioritize, and these club responsibilities are the first things to go. According to the By-Laws, the Board of Directors will choose my replacement. Basically a year remains before the next election. I am sure Linda T has mentioned this elsewhere in the newsletter, but please let Linda T know if you want to be considered for this position. If you would like to know what the duties are for the District Directors, just call or email me. I will be glad to fill you in. The North Central District hosts more shows and is home to more members than any other District, so it is a little bit more time consuming in the district. I will still remain a member and will still breed and show my cochins. I will see you in the aisles just like before.

If you haven't sent in your dues for 2014, please do so by February 28. After that you are considered delinquent according to the By-Laws. **DON'T send the renewals to me.** Send them to **Linda Lucas** in Michigan. She is going to be in charge of the membership from now on. You may recognize her name as Master Breeder Points chairperson. Having both of these duties held by the same person is going to make the process more streamlined. In the past few months, way too many people were busy signing up new members and it just got a little topsy-turvy at times. If you have sent your dues to me already, don't worry. I have you covered. If you send them in the future, and I am sure some will, I will get the info to Linda L and forward your money as always to Jamie.

I thank the club officers, especially President Linda T and Jamie. They are such hard workers on behalf of the club. Linda T has signed up almost 100 members at shows she has attended all over the country, literally from coast to coast. That increased interest is the by-product of the club having a presence at the shows in the form of a table, an auction, a raffle, and an officer. Many of us want to spend all our time visiting in the aisles, I know I do. Sitting behind a club table isn't what many want to do. But Linda T has done this and it has paid off monetarily and with increased membership. So, remember to thank an Officer of the Club sometime soon. After almost 20 years as one, I know it doesn't get done nearly often enough. Stay warm and see you in the spring! God Bless~~MATT

2013 brought a lot of special wins to our members at shows here in the Pacific District. Starting with **Joe Mazur** taking Best Featherleg at the ABA National and C.I Western National in Stockton CA. and **Heidi Keyzer** taking home Best Asiatic. March we celebrated **Sheryl Butler** winning Best of Show at the APA semi-national in Ventura CA.

In June we got to see **Joe Mazur** back in the States again to win Best in Show with a Black Cochon Cockerel and **Heidi Hylkema** take Best Asiatic at the Mother Earth News Show in Washington State. Summer show we heard reports of the breeders from the Pacific winning and selling birds to people who won all kinds of local, county and State Fair all over the country.

As we entered the Fall show season **Sheryl Butler** took Best Featherleg in the mighty state of Montana. Which brought us into our Pacific District Meet in Vancouver WA. hosted by the Pacific Northwest Poultry Association. A double show of a District and Special Meet made for an exciting weekend with a lot of prizes to be given out. **Sheryl Butler** stood strong for Cochins winning Best of Breed with a Black Cochon pullet and Reserve with a White Pullet judged by APA/ABA judge Donald Barger of California. **Sheryl** took Cochins right to the top that day with a Best in Show win for Cochins. **Doddie Truedson** had a good day as well in the Special Meet taking Best of Breed with a Black Cochon Cock bird. Best Asiatic and Reserve was awarded to **Robert Anderson** in both meets, funny thing is they were different birds picked by different judges in both meets. Juniors had a great time with **LaCee Villainies** winning Best of Breed in both meets and **Ian Cernitz** placed Reserve of Breed in the Special Meet with a lovely Buff Hen we got to see also in Stockton. My daughter **Brooke Lynn** got to travel with me and fly on a plane for the 1st time, very exciting for her and the Best Frizzle win as well.

In November the show in Boise Idaho, we hear again the infamous **Joe Mazur** came to visit to not only take Best of Show with a White Pullet, but to also take Best Asiatic and the young an up in coming in Large Fowl, **Ciera Walters** took Reserve Asiatic congrats to you all on your wins!!

On another note a few of us who enjoy the Splash Variety including **Sheryl Butler** as many of you know who took Best AOV at Crossroads. Have talked **Bruce Robinson** into taking on the task of leading the effort to finally get SPLASH recognized as one of our Standard Varieties in the S.O.P which we believe is long overdue. With the efforts of many and the great communication through our facebook C.I pages. The 1st step took place in Knoxville at the ABA National. I had the pleasure of attending the event.

Thank You to all the breeders who brought and sent birds to complete this 1st showing and a BIG Thank You to Bruce for his efforts for a variety that isn't his personal favorite. We would like to encourage ALL splash breeder who will be attending Ohio Nationals next fall to hatch as many as you can....because that is wthe true test will be and we will need 50. The Pacific District looks forward to 2014 with the Standardization of Splash and Large Fowl Mottled and our up and coming elections

Have a blessed 2014. May you experience happiness, peace in your heart, many new friendships, and lots of champion birds. We had a successful **2013 Eastern Cochin National in Knoxville, TN**. Single decking and a place in a corner to call home. A sight to behold with 316 bantam cochins. Thanks to all who contributed time, money, items, and/or energy in order to make this happen. Special thanks to **Matt Arnett** who made such a nice memento for all that showed---our Cochins International name tags. They were so nice. Also such a special treat in putting names with faces that traveled far and wide to attend. From CA, MI ,LA, and CO they came. Disappointed in the number of cochin large fowl that were exhibited. Only 12 made it to the show. Bad weather and illness prevented some entered from attending. We missed you. Hope all has a successful hatching and showing season in 2014. **Knoxville TN 2013 Cochin National Report by Troy Laroche :**

First I want to thank the exhibitors for having me judge your birds. The classes were a joy to handle. I did all the Bantam Cochin classes. I will mention the Large Fowl, although I did not judge them, I did go look at them for Best Cochin Overall. Nice birds and continue the good work. I do believe that Clell Agler judged them and he could go over the results of what he found in these classes rather than me.

In Bantams, an overall comment; I was most impressed with the wings in a large percentage of the birds. In recent years, I have detected in my travels a tendency for weak wings in many of the cochins I see. Not the case in the majority of the specimens in Knoxville. Some top notch birds in most all colors with good sound wings were found in most all varieties.

Highlights for me were the Blacks and Whites. Most of these birds could and probably have won shows throughout the nation. The Black Hen I picked for Best of Variety and Best of Breed was outstanding with good type, conditioning and the ever impressive good wings. A well balanced bird all over. A close second was a Black Cockerel that was Reserve of Variety and Reserve of Breed. He too was a sound bird in all aspects and well balanced. Whites were another good class with outstanding quality throughout. My only negative comment some were a bit yellow. But other than that. A great class of quality throughout.

Several other notables were the Mottled in both Blue and Black. Nice birds with great potential. Another highlight was the Frizzles. Many good specimens in a couple of color varieties with a class of white pullets standing out in the crowd. Several other varieties were shown in a host of standard and non-standard varieties. It is good to see the progress of these Varieties and work that is continuing to make them closer to the standard.

One of my favorite parts of judging is seeing progress especially in the rarer varieties. I must comment on one non-standard variety with that being the Splash. Some awesome typed birds were shown in this class. Once accepted I feel they will be contenders for the top. I was pleased to have the other judges that took part in the Feather-Leg judging unanimously put the Black Cochin up for Best Feather-Leg. The Reserve was a struggle with an outstanding Reserve of Breed Cochin, a great Silkie and a Ducle that never stopped showing and eventually going on to be Reserve Feather-Leg. Not to mention several others (Langshan, Booted, Brahma and Faverolle) that also were in the running made for some tough voting and decision making in the end. I once again would like to thank the Cochin breeders for presenting me with a Great class of birds to judge. All the Best ...**Troy Laroche, ABA / APA General Licensed Judge**

It has been a good year. Hatched a few Bantam and Standards last spring, then had bad luck, a bobcat got about half of them. Going to start over this year and hatch a lot of birds. This will be a much better year. We are going to have some great shows this year. Kansas Classic will be April 11, 12, 13, with a APA Semi-Annual show, I will place a Cochin District meet there. Always a great time in Hutchinson, Ks. The Missouri State Poultry Assoc will have our show April 19, With 2 regional meets. All over show in my District will have Regionals. \_Today it is going to snow here 1 to 3 inches. Hope it does it and gets it over. I don't like snow. I don't get out with snow or ice on the ground.

We have had several new Juniors showing Cochins at our shows. The Juniors are loving how easy the Cochins are to handled and wanting more of them.

Come join us at our shows. Bernita Miller; Southwest Director

Winter is here and coming on already and it didn't get above zero degrees. Shows in our district did very good this fall with good turnouts with several shows bring up to 200 to 500 entries. Good to see this with feed and gasoline cost where they are. I imagine most of you are getting your breeding pens together. Good luck in producing some Champions in 2014. We in the upper Midwest saw some very nice birds shown this fall. Also lots of new open and junior exhibitors. Cochin classes are some of the strongest at our shows. ***COCHIN WONDERLAND by Gail Carlson***

*Fat Hens sing . . . Are you listening?*

*In the nest . . . Eggs are glistening*

*A beautiful sight . . . We're happy tonight*

*Hatching in a Cochin Wonderland.*

*Later on . . . We'll conspire*

*As we dream . . . By the fire*

*To face unafraid . . . The plans that we've made*

*Breeding in a Cochin Wonderland.*

*In the meadow we can build a red coop,*

*And pretend that it's a Cochin town,*

*We'll have lots of fun with our new red coop,*

*Until the birds our coop have now outgrown.*

*When we show . . . Ain't it thrilling*

*Judge those birds . . . Get those ribbons*

*We'll frolic and play the fluffy butt way*

*Showing in a Cochin Wonderland.*

***Happy New Year to all!!***

## **Recognizing Splash Cochins By Bruce Robinson**

Cochins International is leading the charge to have the Bantam Splash variety admitted to the American Poultry Association (APA) and American Bantam Association (ABA) Standards.

As part of that process, we are required to certify to the APA that we have held two successful meets where there were at least 2 cocks, 2 hens, 2 cockerels and 2 pullets on exhibit. We completed the first certification at the ABA National Meet / Cochins International Eastern National Meet on December 7 & 8, 2013. The Splash Cochin Bantams on display – 20 total, including 3 cocks, 4 hens, 5 cockerels and 8 pullets – were all of good breed type and none were disqualified. Special congratulations to Linda Merrell for winning Best and Reserve of Variety!

I am proposing to host the second APA certification meet at the Southern Ohio Poultry Association show in Lucasville, OH on Memorial Day weekend – May 24-25, 2014, and encourage everyone with Splash Cochin Bantams to enter their birds at this show. Following the second certified meet we will forward our petition and proposed standard to the APA along with the required fee. If accepted, the APA qualifying meet would be held in Columbus, OH on November 7-9, 2014 – this meet requiring at least 50 birds and 5 exhibitors.

I am also currently working the ABA requirements and am asking for our membership to send me high quality digital photos – cocks, hens, cockerels and pullets. I will compile them and include as an attachment to our application, along with the fee. Please email photos to [bbosshoss@msn.com](mailto:bbosshoss@msn.com). The proposed qualifying meet would also be at the Ohio National on November 7-9, 2014.

The proposed color standard will match the existing ABA description for Splash plumage:

**PLUMAGE:** Slaty-blue and white that has a faint gray tinge. Blue in feathers in the form of large irregular shaped blobs as distinct from V-shaped ticking. Main tail feathers and primary wing feathers with a lesser amount of blue than the rest of the plumage.

**UNDERCOLOR:** Slaty blue and sooty white, evenly distributed.

**DISQUALIFICATIONS:** Any appearance of rust in the plumage - More than 50 percent blue in plumage.

This is a team effort and everyone's assistance is necessary in order to make this effort successful: (1) If you raise Splash Cochin Bantams, please hatch a few extra this year and plan to exhibit them at the Ohio National so we can meet our 50 bird minimum, (2) A donation of any amount would help offset the application fees – PayPal donations can be made to email [cochinsint@gmail.com](mailto:cochinsint@gmail.com), and (3) If you are near Columbus and would be willing to receive birds from out of state and get them to the show, please let me know.

If my fellow Splash Cochin breeders have input or questions about the process please contact me directly at [bbosshoss@msn.com](mailto:bbosshoss@msn.com). Bruce

**BECKY SALINGER**

I would like to thank Becky Salinger for her time and efforts while fulfilling her duties as the chairperson of the Junior Program. Becky jumped in with both feet and began several programs that will benefit the youth. She started the pin program for the juniors, and the district directors should continue awarding these to the youth who do well at the shows. She also began the club's participation and cooperation with the ABA/APA junior program. One of the most influential initiatives was the organization of a mentor program that matches young breeders with experienced club members. Quality birds were provided for these youngsters by helpful breeders, all under the direction of Becky and youth program. Becky has stepped down from her role as Junior Leader, but the club plans to continue as many of these quality programs as possible. Thanks again, Becky!

**BECKY'S RESIGNATION LETTER:**

I will be stepping down as Junior chairperson, this is actually the second email I have drafted, the first was all the gory details behind the decision but I think I will leave it at, I have tried my best to encourage the youth and grow a junior program for Cochins International.

After this week-end I feel it is best that I withdraw myself from the situation. I hope that there is more discussion regarding making a junior director position.

I have discussed with Jamie that the money raised this weekend will be used to purchase more pins so that, at least that program will continue until the pins run out.

Thank you for your time,

Becky Salinger

Becky did a special membership drive. There was a three year membership given away and a one year membership given away. Congratulations to Edward Spalding for winning the three year and Michael Lamb winning the one year membership. Congrats again gentlemen!!

**WITH SADDNESS**

It is with sadness to announce that we have lost three of our Cochin Members.

### **Donald Harold Juliar**

Donald Harold Juliar, age 71, of Mankato, Minnesota died Friday, October 18, 2013, at his residence. Don was born on May 2, 1942, in Mankato. He was the son of Harold and Lilia Juliar. Don was a 1961 graduate of St. Clair High School. He served in the U.S. Air Force from 1961 until 1965. Don was united in marriage to Connie Hussey on August 28, 1965, in Presque Isle, Maine. He farmed in Decorah Township for 25 years and was employed with Atlantis Plastics for 13 years. Don retired at the age of 65. He was a member and past Commander of the St Clair American Legion Post 475. Don was involved with 4-H and judged poultry. He enjoyed raising poultry, gardening, bird watching, fishing, hunting, trapping and watching sports, especially the Gophers and Packers.

Don is survived by his wife, Connie of Mankato; son, Corrie Juliar of Mankato; daughter, Cassandra Schaible of St. Clair; three grandsons, brother, Dale Julian of California, nephews and cousins.

### **Norman Rau**

It is with great sadness that I inform you of the passing of Norman Rau of Boothbay, ME on December 26. However, as I reflect back to the show halls days, all I can do is smile. Norman is one of the reasons I got into and stayed in the hobby; he was always a cheerful and friendly competitor. Showing with him and Karl was always a delight; how they teased each other. Karl had written a history in 2008 of how he and his father got into Cochins. It started in the mid-1980's with a pair of black bantams and grew over the years to many other varieties including Buffs, Whites, Blacks, and Blues. Many of us up here in New England remember his champion Cochins. At the end of the article Karl writes: "Lastly, Dad, I want the world to know...yes you were a better breeder than I", which I know Norm would be amused that I included it here!!

Norman F. Rau 1920-2013 Retired Lt. Col. US Army, Husband, Father, Grandfather & Great-Grandfather, Cochin breeder / Showman extraordinaire!

Norm, Karl, Donna & Bill Lurking

### **Tom Roebuck, Sr.**

Tom Roebuck, Sr. has passed away on December 29, 2013. He had battled MS for many years. He showed black Cochin bantams for many years and when I started showing he was a driving force in the show halls. I owe him a lot as far as encouraging me as a younger guy in the hobby and for passing down some of his knowledge of this breed. When he no longer could care for his birds I took them on to keep the line going until Tom Jr. got out of the service. That started a friendship between Tom Jr. and I that I wouldn't trade for anything. I always preach about memories and friendships in this hobby and that's what it should be about. I just want to say thanks to Tom Sr. for taking the time and for giving me such good memories he will be missed. Jamie Matts
