MY TRIP TO CALIFORNIA!!

I would like to thank JAMIE MATTS and TROY LAROCHE for judging the COCHINS. Again they both did a wonderful job. It is a trip I won't forget for a while. I left Michigan COLD AND SNOWY; arrived in San Francisco COOL AND RAINY must have been in the low 50's. What a BUMMER. I was hoping for sun shine and WARM weather. Met up with Judy Gantt, picked up the rental car and took off in the rainy weather to our hotel and finely two hours later we got there. It was cold all week had to wear a jacket and it stayed in the low 50's.

Thursday we got up and took off for the show hall. Tim Johnson was kind enough to let me ship a box of COCHIN things and a box with my clothes in to his home. He had his motor home at the fairgrounds and I picked my boxes inside it. Then went into the show hall to find Judy's birds she had ship and check the building all over and could not find our COCHIN table. The next day we found a spot and made it COCHINS INTERNATIONAL'S TABLE. We dressed the table up with plastic tablecloths and cages. Tim Johnson donated a beautiful pair of black bantam COCHINS, Dottie Truedson donated a beautiful black pullet frizzle and Robert Anderson donated a beautiful pair of black large fowl COCHINS.

The silent auction was so much fun to watch, the people that were interested in bidding would come back and check to see if they have been over bid several times. At the end, the two ladies got what they wanted. The Silent Auction took in over \$130.00 dollars. I would like to THANK TIM, DOTTIE AND ROBERT for their DONATIONS.

After the show on Sunday, Judy packed up her birds to get them shipped back home and a friend of hers took care of that for her. Then we decided to take in the sights of SAN FRANCISCO and find some good sea food. The drive was enjoyable and we discovered how to get to the airport without one of those GPS machines that we thought was useless when we were trying to find our hotel. Judy was dying to see the GOLDEN GATE BRIDGE. She was so disappointed, it wasn't golden and I guess it was a mile long if even that. That really disappointed her; she thought it would be longer than that. I told her if she wants to cross a long bridge come to Michigan and I will take her to the Mackinaw Bridge that's five miles long and it is painted a beautiful light blue like the water. Now that is a bridge. So we had a delicious seafood dinner at this quaint restaurant. We were amazed with San Francisco it is a beautiful city. Then we head back to the hotel. It was a wonderful and beautiful day.

We rested on Monday and on Tuesday a friend of Judy's took us up into the Sierra Nevada Mountains. Judy saw snow and got all excited. I told her I would be glad to send a bucket of snow a week from Michigan. It was a beautiful day with the sun shining and people were wearing their winter coats and I had a short sleeve top on and people would look at me and I told them I am from Michigan. OH, you are used to this weather was their responds. We had lunch in an old mining town and then we went to another mining town and had dessert. It was a beautiful trip and those BIG RED WOODS. AWESOME!! What memories I have with my dear friend JUDY GANTT in California.

THANKS JUDY!!! Next morning Judy and I took off for the airport and said our good byes.

Well spring has sprung and summer is all most here and definitely the MOSQUITOS have arrived. My new perfume is KUTTER'S OR OFF spray, cannot walk outside unless you have some on.

I hatched out about 60 blue and black large fowl and 24 barred large fowl this year. I thought my blue girls were done lying and they have started all over again lying. My bantam blues not so good this year, only two hatched so fair. I hope you all have some good hatching this year.

I did several shows this year from Calif., to Louisiana, to Alabama, to Ohio, to Iowa and my last show Coulee Region in Wisconsin. Between me and the birds we are tired of traveling for a while. But, on the other hand, I met lots of wonderful members and other poultry people as well. I had a good time no matter where I went. I did a 50/50 raffle at some of the shows and I had a drawing for COCHIN members for a calendar. Each show I went to I signed up more new members.

You all have a wonderful summer and keep checking the website for up to date things going on with the Club. See you in the aisles filled with lots of COCHINS. God Bless. Linda Tobia

Hello fellow Cochin lovers

The latest news on the west side of the country ... On April 13th-14th, 2013 the APA Semi National was held in Ventura, California by the Seaside Feather Fanciers. This show is always a success due to its location, right on the beach. There was a decent showing of Cochins, 50 total, large fowl and bantams. Jamie Carson from Canada judged the Cochins. Sheryl Butler took home Best Bird in Show for the day with a black Cochin Hen, congrats to Sheryl on her huge win! The plan is to hold the ABA District Meet at their show there in October of 2013.

In the Northwest, April 20th-21st of 2013, the annual Pacific Northwest Poultry Association held their Spring Show. The new location was at Clark County Fairgrounds in Washington. The Cochin count for the show was 70 total. It was a double show with Paul Weiser being the judge for the first show and Steve Jones for the second show. Champion Featherlegged was a black Cochin Cockerel owned by Doddie Truedson. Congrats to Doddie on her big win!

The last show of the Spring is on the weekend of June 1st-2nd in Puyallup Washington held by Washington Poultry Exhibitors. This should be a fun show as I know many of my Cochin friends will be joining me there. Plus it should nice warm weather which always helps set the mood for the show....

Well, it's hatching season again! I'm sure most of you have already hatched quite a few chicks. As for myself, not so much! It stays cold here for quite a while so each year comes frustration with the girls not wanting to lay. Personally I wasn't really focused on hatching this year so it's not a big deal for me but for others it might be a problem... Wishing all of you a prosperous hatch and have a wonderful summer!

Here it is: My time flies when you're having fun!!! It seems like the older I get the faster it flies!! I hope this newsletter finds everyone happy and healthy and enjoying their birds. I have had a very busy spring between judging, hatching chicks, shipping birds, volleyball with my soon to be 16 year old "yikes" , the greenhouse and oh yeah my real job its seems like some nights I fall into bed exhausted. This year has been a record year for me as of May I have shipped over 120 adult birds all over the country and my first international shipment went really well. I know have birds in Columbia and Bermuda. For me having people enjoy my birds means a lot to me. Whether its winning in the show circuit or just watching them from their front porch hearing peoples enjoyment puts a smile on my face.. I have hatched out about 650 as of right now. Not just cochins I have a few other breeds I keep going for people who no longer are with us just as a reminder of their legacy. My first spring show will actually be this weekend in Sussex New Jersey I look forward to the trip with Megan. It really was a reality check for me when we sat down at her school and they planned her junior and senior years where has the time gone? I look back over the years and a lot of time has been at the shows or fairs. This hobby has given me such good memories and I have made forever friends as well. That's what it should be about memories and friendships but that's just my feeling. My summer will be a busy one with judging 14 fairs lined up already and three nights of sand volleyball with Megan and she will be driving. I hope everyone is enjoying watching their birds grow and that we have some nice summer weather. Until next time take care and keep smiling Jamie

"Cochins have dominated the Pacific Coast this Spring"

In April at the APA Semi-National in Ventura California, hosted by the Seaside Feather Fanciers Club. Cochins International Master Breeder in black and white, Sheryl Butler did it once again in Southern California! With a Best of Show win once again with a black cochin bantam pullet. This was a repeat of her last visit to this show from 2008 at the APA National, with her traveling buddies famously known as the "Featherleg Four" Marge Best, Doddie Truedson, and Judy Gantt. It was a wonderful experience for myself and daughter Brooke as a Jr Cochins International Member to watch as Sheryl's beautiful pullet continued to pass the competition here in California.

On June 1st at The Washington Invitational Spring Show, held at the Washington State Fairgrounds in conjunction with the Mother Earth Expo in Puyallup. Cochins were the breed everyone was talking about! APA/ABA Judge of that show, Dave Anderson also the secretary of the Seaside Feather Fanciers made special recognition to Sheryl for her duel wins at thier Nationals in Ventura. But two birds stopped traffic that day. Joe Mazur's black Cochin cockerel

winning Best of Show, nice to be surprised by the win as we all love his beautiful hens and pullets. Very nice cockerel in deed. The Reserve of Show stood tall, Not only because he was the Largest bird in the show! Heidi Hylkema's black Large Fowl Cochins had FANS looking in his show pen all day .

Here on the Pacific Coast we look forward to the summer fair season and early fall shows. California State Fair & Colorado State Fair in July, Heirloom Exposition Poultry Show in September, 28th Annual Central Coast Feather Fancier October, PNPA in Washington October BUT we all are looking forward to the "BASH at the BEACH" our ABA District meet, hosted by Seaside Feather Fanciers. Which will also be Cochins International's District meet for the Pacific District in Ventura California. I am very excited to work with this club .And the location is amazingly beautiful....I hope you ALL will consider coming to the California Southern Coast it is very much worth the drive to this beautiful location right on the beach!

Northeast II Directors Report by Rich Barczewski

Here we are again in the middle of May with a real spring in the Mid-Atlantic region of the country. It's been much cooler than normal but that could change fast. I hope all you Cochins enthusiasts are hatching out some good chicks this year. I have about 35 Large Fowl out early this year and then the fertility shut off. I don't know what happened but I'm certain vegetarian diets have something to do with it. No feeds around here can be found to contain a decent amount of animal protein in them.

I finally decided to expand out a bit and picked up some Partridge Cochins Bantams. I've been delaying that decision to get some for quite some time but ran into a few with decent color but less than ideal type and decided they would be a good starting point. We'll see how many years it takes me to breed them up, good enough to show. Stay tuned. Clubs in the region seem to be fairing ok considering the fact that we still have to deal with AI testing. I don't think this is ever going to go away for our region but once you get used to it and start testing on a regular basis, it isn't too bad. Numbers have been up at some shows and down at others that I have attended.

Cochin meets can be placed at any show in the region so if I don't contact you, please let me know. I can email you a show report form or snail mail you one so you will have it for your show. Special meets can be placed anywhere and we have one district meet each year for our district. If you would like to host the District meet for 2013 and your show is located in Northeast District II, let me know. While it isn't a requirement, we always like to see a few specials offered for the Cochins when we place an upper level meet however; another factor I look for is meets with good Cochins numbers.

Many thanks, to all the Cochins exhibitors who have come out to support the shows. We have some members in NE II that don't show much but will show up from time to time at a show. It's always great to see them and their birds. If you haven't been out to a show lately to see the Cochins make a point to get out this spring and fall. I have been very proud of the major breeding effort put forth by our membership and appreciate seeing quality Cochins in the isles.

As always, if I can do anything to assist our members, feel free to give me a call. The easiest way to reach me is via email. I have two addresses, one at home richbar302@gmail.com and one at work rbarczewski@desu.edu . Use whichever one you like or call me at (302) 659-1211. Until next time, keep hatching those champions.

Greetings from Missouri! As I set here today, we have had around 8 inches of rain this week, water everywhere. Chicken yards are mud puddles, or as my 10 year granddaughter calls it, Missouri Swampland. We have had several great shows in my district. Cochins are doing great!

The Missouri State Poultry Assoc. show April 20th 2013, numbers were down, but we had some great birds. Our judges were James Miller, Jacob Bates and Doug Connally. We split the 3 judges between the 2 show and the junior show. Not one judged the same bird.

The first show was won by: Annamay Carlson with a Btm Blue Cochin hen, a very nice bird. The Res champ Feather-leg was a Black Cochin hen by Ken & Bernita Miller.

The second show was won by Ken & Bernita Miller with a Black Cochin Btm hen, the Res Feather-leg was a Btm Black Cochin cock by Annamay Carlson. The Junior show was won by Paige Collins, granddaughter of Steve Dixon with a Black Cochin pullet. This is a first for our show for the cochins to win all grand champions.

The Kansas show had smaller turn-out also but lots of great looking birds.

I have hatched out several birds this spring, am looking forward to show these in the fall. I am looking forward to going to the fall shows.

We need to help out the junior kids with some great birds, remember they will be the exhibitors in years to come., answer any questions you can for them.

Hope to see you all in shows to come. If you need meets or help let me know.

Cochins International NE1 District News

Hello NE District 1 – I hope everyone is having a good hatch season. I have Buff and Millie Fleur Cochins out, but my Whites still have not started laying as of May 8 – come on girls!

The spring show season is in full swing right now. Upcoming shows include Central Maine on 5/26, Little Rhody on 5/19, Finger Lakes on 6/2 and Dutchess County in June. The Boston Poultry show has been canceled for this spring.

I saw on the Northeastern Poultry Congress site that **Tom & Sandra Roebuck** won Champion Feather-leg with a Black Cochin Hen as well as well as Champion Large Fowl with a trio of Large Black Cochins – Congratulations!

The New England Bantam Club and CT Poultry Breeders shows were also held. Since I did not attend either, I heard that **Beth of Gaetano Farms** won BB, Ch. FL, Reserve Show Champion with a black bantam cochin pullet at CT and at NEBC, her black bantam cochin Hen won BB, Ch. FL, Reserve Champion Bantam, and Reserve Grand Champion.

(Photos below) Her white Cochin bantam pullet was awarded RB – Well done!

I also heard that **Christopher Miranda's** Cochin hen was reserve bantam in the Junior class at the NEBC – Great job! **Kim Houde** also continues to be very generous by donating trophies for the top junior Cochin winners at local shows. Thanks Kim.

This year's CI NE1 District Meet will be held at the Eastern NY State Poultry Association fall show in Cobleskill, NY on September 29. I believe this is their 50th show so I'm sure it will be a show to remember. I'll be sending out letters in the summer with more information and soliciting awards for this district meet. More information can be found at <http://enyspassc.com/>. This is a well-run show in a beautiful area. I am planning to attend and hope many others can as well.

I have not heard of any new NE1 members so if anyone new is reading this from NE1 that I have not met, please drop me a note so I can add you to my distribution list.

If you are a Facebook member, I've found the Cochons International Group to be a great wealth of information for show results, breeder's accomplishments, and advice. Feel free to join the group at <https://www.facebook.com/groups/cochonsinternational/>

If you have not mailed your 2013 dues, please send to Matt McCammon, 2890 S 275w Bloomfield, IN 47424. Membership runs from January 1 to December 31 of each year. Regular individual membership and family membership dues are \$15.00, junior membership (under age 18) is \$7.50.

If anyone else has exciting Cochon news or show results that you'd like to see in my article, just drop me a line and I'll make sure to add it to future articles. As always, feel free to contact me with any comments and questions: lamb@psicorp.com – 978-374-2481. Looking forward to seeing your champions this year. – Donna Lamb NE1

June already! Seems just yesterday I was writing about keeping the birds out of winter's harsh grasp. Now we are into summer and the challenges of a new season. Hopefully you have sent in your information for the new breeders directory. It was to be sent to Gail Carlson by the end of May. If you didn't you might be able to sweet talk her into giving you a few extra days to get it in. Sometimes it works, and sometimes it doesn't!! Gail will spend the summer assembling the new directory that is to focus on the rare varieties of cochons, large and bantam, that are in the standard. No non-standard varieties will be included. There are several varieties of bantams and large fowl that seem a bit neglected and, as a club; we would like to take care of that. I hope you placed an ad to help defray the costs of printing and mailing the directory. Maybe that ad will provide some return for you too as folks look far and wide to locate birds. On the topic of rare varieties, I have had several breeders of large fowl mottleds contact me for information regarding a qualifying meet for this variety. There are probably seven or eight serious breeders of this variety, and they are itching to get it accepted. I personally think the variety can do quite well once accepted, since they can be improved in type by crossing to blacks. So size and type should not hinder the mottleds. Serious breeders will improve the color and they will contend for awards in the large fowl classes. I met with Pat Horstman, APA secretary, while I was at the show in Greenville, OH. She gave me a packet of information, which I promptly left

in my friend's truck when we arrived home. So I don't have all the details, but I know the ball is in the breeders' court. I hope you all will network and plan to raise plenty of chicks this spring. It takes a long while for large fowl birds to grow, and it takes longer for them to color correctly as mottleds. So raise all you can. The breeders I talked to were interested in targeting the Columbus, OH show in 2014 as the qualifying meet. If that is to occur, breeders need to be hatching and raising as many as they can now. It'll take a year and a half to get those qualifying birds up and ready, at least as cocks and hens. The club will do all it can to help facilitate this action, but in the end it is up to the breeders to organize and spearhead this effort. So Jamie, Heidi, Ted, Jay, Bo, Seth, and anyone else out there whom I have forgotten, get your plans together. We are looking forward to it!

Cochins have done well in this area at the spring shows. Although I haven't seen any champions, the breed has attained champion row several times. The feather leg classes have been tough with nice Brahmas, faverolles, and d'uccles along with the usual silkies. Greenville offered some nice langshan bantams too. The interest in cochins is high as I have calls quite often asking for birds or information regarding them. Spring hatching has gone well overall. I have hatched almost all of the Wyandotte bantams as they layed earlier than the cochins. I am finishing a couple of varieties in them and focusing on cochins as of this writing in early May. I should have all the cochins out that I need in the next two bunches, not to count my chicks before they are hatched! I raised quite a few mottleds last year, so I don't need to raise as many and won't. I may raise a few more blacks this year. Last year brought very dry conditions and a poor corn crop. Therefore the feed prices increased. So far this year the opposite is the case. We have had cooler than normal temperatures and lots and lots of rain. Very little corn has been planted here due to excess moisture. I wonder what that might do to the prices? The life of a grain farmer is one of stress and patience. I admire them greatly. When you read this, the Southern Ohio Poultry Breeders show will be history. I hope we have a nice turnout of birds. It will be an opportunity to visit with several breeders who I probably won't see again until the national in Knoxville.

On the topic of membership, we are up over 200 members again. That didn't take long after I deleted the database of unpaid members. New members have joined and interest continues to be high. As membership director, I am always interested to see where new members are coming from. For example, many of our new members early in the year came from California. That was a direct result of the club's offerings and actions in Stockton. People like a club with a presence at the show, with raffles and smiling greeters at the club table, with quality birds in the coops, and most of all with a welcoming attitude. Our club offers all those things and thanks to the volunteers who make it happen all over the country. Until next month, God bless. ~~Matt

Greeting from the Southeast. It's been an exciting and productive 2013 so far. Ranging from shows in Florida, the ABA National in Stockton, CA. to the Alabama Chicken and Egg Festival in Moulton, Alabama. What a ride and good time with Linda Tobia. Many memories made that will last a lifetime.

Another fond memory will be the Lucasville m Ohio show. My good friend Jason Mayeux from Alexandria, LO. Flew to NC and we took a road trip to Lucasville traveling the West Virginia turnpike seeing the beautiful scenery and navigating the curvy and winding roads. Hope everyone has had a productive hatching season. Mine has been a great success. I'm still hatching from a select few but basically I'm through. I don't know how many I hatched but it's too many to count.

Show season has ended. Now it's time to keep the youngsters cool, provide good housing and conditions the best food you can buy and CARE CARE AND MORE CARE. All the hard work will pay off come this fall. I'm really excited about the fall show season.

As stated before the EASTERN COCHIN NATIONAL will be held in conjunction with ABA NATIONAL in KNOXVILLE, TN. Judges will be selected shortly by the board of directors and announced by the next newsletter. If anyone would like to make a donation of items or monetary award, please contact me.

Stay cool this summer. See you in the. COCHINS RULE. Judy

WEST CENTRAL MESSAGE

We had a very cold, snowy and wet spring in the upper Midwest this year. Egg production was affected due to the cold and the electricity going out twice. Most of the hatching reports that I've heard of were not up to par either. The fall shows are just around the corner and I hope you all are raising some good ones...make sure not to forget the rare colors of Cochins to help keep them going.

I have decided not to run for district director in our next election. I know of two potential candidates and truly believe "new blood" creates "new vitality."

Take good care of those Cochins and develop some CHAMPIONS IN 2013.

Junior Leader

Becky Salinger, 3800 South Ridge West, Ashtabula, OH., 44004, Email beckysalinger@gmail.com

Hi all-

I have not had many requests for pins- I am going to mail them out to district leaders. Those that get them are very happy, I think it's a matter of people not knowing.

Juniors have received a very generous donation from Joe Mazur- so I would like to start planning awards for juniors at the Eastern and Western Nationals- so that we can build some interest and hopefully get some kids into LF. Another program I was thinking might get more kids in would be a program similar to the one in this link-

<http://youthconservationistprogram.blogspot.com>

If we can find breeders willing to donate a breeder pair- we could also award them at the nationals. Please let me know what you think.
Thanks, Becky

In an effort to encourage more youth participation, CI is starting a Youth Breeder Development Program. Interested youth will submit an application stating why they want to raise cochins and what recognized varieties interest them. A committee of volunteers will be judging the applications and trying to match kids with breeders who are willing to donate a pair of birds and act as a mentor for the youth. Part of the program will require that the youth not only show their birds, but report back to the breeder and the club in one year. They will also be required to breed their birds and give one bird to another junior interested in cochins.

We are looking for breeders who are willing to donate quality birds to give these juniors a solid foundation, and who are willing to be a mentor to answer questions should they arise. Youth participating in this program will also be supplied with a copy of the ABA/APA Youth Coop tender book, so they may start in the ACE program as well. Becky Salinger will head the committee and will be checking in with the youth throughout the year to ensure the program is a success. If you know of a junior who would like to participate, or if you would like to donate birds, please contact Becky Salinger, at [216-210-8869](tel:216-210-8869) or beckysalinger@gmail.com

Applications requirements and rules of the program can also be found on the website. Applications must be postmarked by July 31st, 2013. The committee will make selections and match breeders with youth by August 31st, 2013.

ANNOUCEMENT:

I would like to welcome Jennifer Binns- Morales as an interim for the Pacific area. Tim Johnson resigned and Jennifer volunteer to help out until our next election in 2014.

I would also like to welcome Linda Lucas to CI as a new member. Linda is now doing the show reports and our points. Linda is all caught up the best she can. She is a great big asset to our Club. Linda in the past belonged to 4-H and a horse association. Linda did the show reports and points for the Regionals and National shows. So she will be on top of things. She calls almost every day and asks if any reports have come in.
WELCOME TO BOTH OF THESE LADIES.

CALENDARS, T-SHIRTS, HATS AND PATCHES

The calendar sales were great!! Members have been asking for another calendar for 2014, so I may be calling on members for pictures for another calendar. I do have very few calendars left for a very low discount of \$12.00 and shipping will be \$5.00. What a buy from \$20.00.

We still have a good supply of COCHIN T-SHIRTS. They are hunter green with our colorful COCHIN EMBLUM on the front and two beautiful COCHINS (Bantams and Large Fowl) in gold on the back. They are \$20.00 each and \$5.00 for shipping.

We have hats that are Kelly Green, Sky Blue and Pink on the front and white on the back of hat. All three colors come with COCHINS INTERNATIONAL embroider on the front. The embroidery is white on the green and pink hat and the blue hat is done in Black. They are beautifully done. Hats are \$10.00 each and \$3.00 for shipping.

Patches, we have a good supply of them as well. They are done in our colorful COCHIN EMBLUM with different color Cochins on the inside. We have White, Buff and Blue left. The patches are \$5.00 and shipping is \$1.00

I will be trying to find more patches this summer in different colors.

To order the products email me at ltobia@tds.net or call 517-468-3429. Linda

THANKS!!!

I would like to thank all of you that have supported the CLUB by purchasing items that we are selling. I would also like to thank you for supporting all of the RAFFLES and the SILENT AUCTIONS that the CLUB has held. All of the extra monaterys the Club has made helps pay for the newsletter and anything else the Club will need support with. THANK YOU AGAIN. Linda

NATIONAL SHOWS

2013 EASTERN NATIONAL

2014 CANADA

EASTERN NATIONAL SHOW

THE TENNESSEE VALLEY POULTRY CLUB will be hosting our **EASTERN NATIONAL SHOW**, which will be held at **3301 EAST MAGNOLIA AVENUE NORTHEAST, KNOXVILLE, TENNESSEE IN THE JACOB BUILDING AT CHILHOWEE PARK ON DECEMBER 8 & 9, 2013**. The Jacobs building, is newly renovated two story exhibition hall with 36,000 sq. ft. of space on the main level.

JUDGE

The choice of Judge for the show is Troy LaRoche from Canada.

Judy Gantt has done her work already for us. The Cochins will be judged very early in the morning and they will be single tiered.

There will be a **SILENT AUCTION**, so if any member would like to donate a bird, a pair, or a trio please contact Judy Gantt email jgantt@earthlink.net or call 704-538-3276 or Linda Tobia email ltobia@tds.net or call 517-468-3429 or just bring them to the show. I would like to **THANK YOU** in advance to those of you that donated

We will also have a **50/50 RAFFLE** going as well.

AWARDS

Cochins International will be awarding **CHAMPION LARGE FOWL AND CHAMPION BANTAM** in pictures of their Champion bird painted on a slate plaque. They are ABSOLUTELY BEAUTIFUL!!!!

FOR THE JUNIORS

Cochins International will be awarding **CHAMPION LARGE FOWL AND CHAMPION BANTAM COCHIN** with a painted Cochin on the plate. These are BEAUTIFUL!!!

HOTEL

For those of you who want to get a good jump on a hotel room, Judy did her part for us as well on that too. The host motel is the **MARIOTT DOWNTOWN** at \$102.00. Other Motels that offer a special rate are **LAQUINTA** at \$65.00 and the **QUALITY INN** at \$60.00. All of the hotels are within 5 miles of the show. **(LAQUINTA IS SUPER NICE)**. For more info, contact **EDDIE (COTTON) AT 865-742-5525 OR TIM COX 865-805-1183**. Email address for show Sec **(JOHN THOMAS)** is TVPC2012@gmail.com

THANK YOU JUDY FOR THAT INFORMATION ON THE HOTELS!!!

Keep checking for up to dates for the show on the WEBSITE or the next NEWSLETTER.

ATTENTION.....

If you have not paid you dues for 2013, you will not receive this newsletter. Dues go from January to December. Before December rolls around you should be thinking about paying you dues for 2014. You need to mail dues to, Matt McCammon, 2890 s 275W, Bloomfield, IN. 47424. Don't forget! We certainly don't want to remove anyone from our membership roles!

DUES:

Membership runs from **January 1 to December 31** of each year. Regular individual membership and family membership dues are \$15.00, junior membership (under age 18) is \$7.50, however, Junior members **do not** earn Master Breeder points. If a Junior wishes to earn points then he/she **must** purchase a regular individual membership and compete in an open show. We hope you will consider joining Cochins International today by printing and filling out the linked form below. Dues payments can be made by check (Made out to Cochins International) and sent to our membership director, as indicated on the form.

Visit www.cochinsint.com to download a membership application!

CI Special Meet – Master Breeder Program

We have a well-established Master Breeder Program, whereby members earn points based on the number of Cochins exhibited at shows which host Cochins International meets. There are currently two Master Breeders point total recognition levels. Upon achieving 100 points in any given variety a Cochins Breeder receives a Certificate of Achievement. Master Breeder status is earned upon reaching 500 points in a variety and a plaque is awarded to recognize this achievement.

Points are accumulated as follows:

Master Breeder upon achieving 500 points in no less than five (5) years.

One point is earned for every five Cochins exhibited for Best and Reserve of Variety.

One point is earned for every five Cochins exhibited for Best and Reserve of Breed.

One point is earned for every five Cochins exhibited for Overall Champion (FL and Bantams).

There must be at least five Large Fowl and five Bantam Cochins in competition.

The points are awarded for the highest win an individual bird earns in its class.

A Certificate of Merit will be awarded for the first One Hundred points in any variety.

Master Breeder status is earned upon reaching 500 points in a variety and a plaque is award to recognize this achievement.

THE COCHINS INTERNATIONAL NEWSLETTER

The Cochins International newsletter is published three (3) times per year. Approximate printing dates are December 30th, June 1st and September 1st. Send all submissions to the editor at least two weeks prior to the printing date. Club questions and concerns regarding policy should be addressed to the PRESIDENT. Ballots should be address to Anita Hacker. Monetary concerns should be addressed to the SECRETARY/TREASURE. All show placements requests should be sent by the secretary to the appropriate DISTRICT DIRECTOR. Material submitted for publication, show reports and “Master Breeder” point’s questions and /or concerns should be addressed to the POINTS CHAIRMAN. Breeders Directory questions and information should be sent to the DIRECTORY CHAIRMAN.

ARTICLES

If any Cochins member would like to write an article please be free to do so. Remember this YOUR newsletter. Birthday, anniversary, get well greeting etc. are welcome as well. Please send them to the Editor, Linda Tobia ltobia@tds.net or 11826 Moyer Rd, Webberville, MI. 48892.

Thanks, Linda

CONGRATULATIONS Ladies!!!

MOTTLED LARGE FOWL COCHINS

SEVERAL MEMBERS THAT RAISE AND SHOW LF MOTTLED WOULD LIKE TO GET THE MOTTLED VARIETY RECOGNIZED IN THE APA/ABA STANDARD BOOK. AS MATT STATED IN HIS ARTICLE, ON WHAT TO DO, HE MET WITH PAT HORSTMAN, APA SECRETARY AND GAVE HIM THE GUIDELINES. IT IS UP TO ALL THE BREEDERS TO GET THINGS GOING. YOU NEED TO RAISE **LOTS OF MOTTLED BABIES** THIS YEAR. AS YOU ALL KNOW IT TAKES A WHILE FOR A LARGE FOWL COCHIN TO GROW AND IT TAKES LONGER FOR A MOTTLED TO COLOR CORRECTLY. SO RAISE ALL YOU CAN. THE BREEDERS THAT CONTACTED ME ARE INTERESTED IN TARGETING THE **COLUMBUS, OH SHOW IN 2014** AS THE QUALIFYING MEET. IT WILL TAKE THE TIME FROM NOW UNTIL NEXT NOVEMBER, FOR THE BIRDS TO BE READY AND TO BE QUALIFIED FOR THE SHOW. ANY ONE INTERESTED IN RAISING THESE BEAUTIFUL BIRDS, CONTACT A BREEDER AND JOIN IN SHOWING THEM AT THE SHOW. SO BREEDERS, WE NEED AS MANY OF YOU AT THE SHOW AND AS MANY OF THE MOTTLED AS YOU CAN BRING. IT TAKES SEVERAL TO MEET THE QUALIFICATION. THE CI CLUB WILL DO ALL CAN TO HELP FACILITATE THIS ACTION. AT THE END IT IS UP TO THE BREEDERS TO ORGANIZE THIS EFFORT. SO BREEDERS, GOOD LUCK RAISING THE MOTTLED, CANNOT WAIT TO SEE THEM IN 2014!!

ATTENTION: THESE ARE THE DETAILS REQUIRED BY APA/ABA.

I told a few of you that I would find the details required to get the Mottled Large fowl on their way to inclusion in the APA Standard. Here is a checklist for your consideration.

1. History of the variety origin, breeding background, and other general information. Portions of which may be used to compose any introductions in the standard as needed. (Begin organizing your breeding records!)
2. Proposed variety name, draft standard description (written in the format matching the current Standard language) (This seems mostly for new breeds, but you should research the mottled plumage descriptions and determine if any changes need to be made for the large fowl cochin. What about leg/foot color?)
3. An executed statement assigning the copyright for the variety description to the APA. (Easy)
4. Signed breeder affidavits from at least 5 breeders stating they have bred the variety for not less than five years and that it produces not less than 50% of all specimens reasonably true to type, color, size, and comb. (Easy)
5. Show certificate (at least two, one for each of the preceding two years) documenting that two or more specimens have been exhibited in EACH class of cocks, hens, cockerels, and pullets in each of the preceding two years at a show OFFICIATED BY A LICENSED APA JUDGE. The APA Secretary shall contact the judge for his or her confidential OPINION OF THE QUALITY AND UNIFORMITY. (This is something that would have to be done ASAP if anyone wishes to get the variety included in 2014. I know some have been shown, but I have never seen a full class of them.)
6. A deposit of the sum sufficient to defray the actual cost of placing the text in the Standard shall be received with the petition, which shall be \$200 for the acceptance of a variety. (as of 9-12-2009, has amount changed?)

Hello,

I would like to introduce myself. My name is Linda Lucas and I am the new Master Breeder Point Chairperson for Cochins International. I have been married to my husband, Adam, for 23 years. We live on 20 acres with 2 golden retrievers, 3 cats and 2 Appaloosa mares. I retired in 2011 after working at a Bank for 35 years. I have breed, showed and raised Appaloosas for 40 years, a 4-H leader and Youth Director and the Points Chairperson.

I have helped Linda Tobia, our president, with her Cochin Chickens, along with taking care of them while she's attending Cochin Shows and I have helped her with the Cochins International Newsletters. In September 2012, I went to my 1st Cochin Show, which was held in Spencer IN. There I met Matt McCammon and other Cochin members and saw some beautiful birds. Hopefully in the future I will be attending more shows.

Now with that said, below you will find a list of the 2012 and 2013 Show Reports processed for the Master Breeder Points; along with Master Breeder Points, which are now current. Please feel free, to contact me, if you find any discrepancies or have any questions. Linda 😊
